

I declare: I am deeply loved, divinely appointed, abundantly equipped and profoundly cherished by YHVH. No enemy plane, scheme or obstacle can keep me from YHVH's highest and best will for me. As I follow the voice of my Savior Yeshua, I see the invisible, accomplish the impossible, and love the unlovable. I am a living-breathing miracle because Yeshua lives in me.

Abba Father, Yeshua and Holy Spirit. Into Your Hands I place my worries, cares and troubles. Into Your Wisdom I place my path, direction and my goal. Into Your Love I place my life.

Lord Yeshua, please will You heal me. Heal me in whatever You need to see me healing. Heal me of whatever might separate me from You. Heal my memory, heal my heart, heal my emotions, heal my spirit, heal my body and heal my soul. Please lay Your hands gently upon me and heal me through Your love for me.

Lord I ask forgiveness for braking Your timeline in my lives, and I ask that You Will restore all of my time in my timeline. Father I ask that You would unplug and disconnect my timeline from humans, land, curses, devices, demons and any demonic time and anything not mentioned but applicable in all TSD. Lord I ask that You would restore my timeline and my spiritual structures so that my time will no longer be out of Your will and Your time. Please will You remove from my timeline the things that is not supposed to be there. Will you please reset my timeline from the beginning to my death, as You created it to be. Give me the timeline You want me to have on my destiny end calling. Will you please restore my timeline to its original design, and reline it with Your divine time. I bring my soul, spirit and body into Your divine time. Aline me with Your seasons, agenda, and with Your placements in live for myself. For it is Your wisdom that placed us in this time. Psalm 139:13-14 "For You created my inmost being: You knit me together in my mother's womb. I praise You because I am fearfully and wonderfully made; Your works are wonderful, I know that full well."

You created me for such a time as this as in Esther 4:14.

Lord I ask that You would fix my structures, full in the holes, put the fabric of our time back together, restore the resources of time to me.

I anchor my conception, birth, my calling, my destiny, my live, my death and anything in between into ABBA's divine time, and I ask that I will have living water coming out of myself. I ask that all the curses of other people spoken over my time and live will be a raised and turn into a blessing. I ask that Your Light will shine on me. In Yeshua's Name.

Father, please cleanse and sanctify this time of its defilement from the pass and present time, with the Blood of Yeshua and disconnect my spiritual structures from the past, past events, places, people and activities and connect and ground them and all that is within me into Yeshua the Messiah. I take this day out of the satanic system in all that I do and I give it to You Father. I anchor this day into Your time and Your will. Help me to walk in Your time and not in the worldly system. Teach me to be in Your timing, for You are El Olam, the Creator of all time, in Yeshua's Name.

Father, I decree and declare that all parts of me still in captivity or in places in the past due to trauma or those still bound in past time, will be loosened by the Blood of Yeshua. I ask You to deal with the demonic around them, break the seals, frames, rules, walls, curses, covenants, altars and remove and bind `the familiar spirit, devices and the programming and anything not mentioned but applicable. Bind up my broken heartedness.

Place Your Glory and Your Light on upon all my darkness and expose the deception in my believe system. May Your truth set all parts free! I declare and decree that all parts will align with present time, now concessions in Yeshua's Name.

I seal this prayer, my life, my marriage, my timeline and my destiny with the Blood of the Lamb.

AMEN.
