

## 7 Colors of the Rainbow and The 7 days of Creation

Every where you see 7 in the bible, it can be taken back to the Redemptive gifts:

I did a lot of research on the gifts for many years, and as I was doing so Holy Spirit gave me revelations on it, these teachings are a combination of both.

It is very important for you to remember and understand that you have all 7 gifts in you. One of these redemptive gifts will be more dominant and will set your goal in the Kingdom. It is imported to know that all 7 must work together for you to fur full your destiny. So you can see yourself in all 7, or if some of them are under developed you will not see yourself in them.

## Creation of the earth

When YHVH created the earth, He did so in 7 days. Each if these days can be linked to a Redemptive gifts. If you can understand how YHVH made each day, you will start to see how you were created and what your roll is in the Kingdom.

### Day 1 of Creation

#### Prophet

Out of the abstract mind of God, came the reality of light in a world that knew no light.

Out of that concept, prophet was made.

It is not the work of a prophet to wish things right or into reality.

It is your job to see the reality in the “Mind” of Abba, and to then bring it into reality.

To have the redemptive gifts of prophet is different to have the gift of *prophecy*, the gift of *prophecy* is to prophecy the future or to speak what is on the Fathers heart, but to have the redemptive gifts of prophet is to see in the spirit what the soul cannot see. You see the reality of the Father and you must find a way to make it work. The rest of the world sees it as abstract.

On the first day, the Lord did not just create light and order, but also time and space. With that all scientific and natural laws were put into place. On all the other days, the Lord weaved together the scientific laws to create.

On the first day the foundation was created upon which everything else was created.

Prophet’s job as the first one to be created is to “**conceive**” that which is new. The rest of the spirit “**nurtures**” it. Giver gives **life** to it, and ruler brings it to **fullness**.

Prophet is also the gatekeeper to all the other gifts. Nothing can happen if it does not go throe prophet first.

Prophet has more creative ideas than what he knows what to do with. Almost all of them comes from the heart of ABBA, but does not always see the light. Most of the times because prophet does not like to work together with the other gifts.

### Day 2 of Creation

#### Servant

The day the atmosphere was created. The atmosphere is invisible, just like servant in most cases. Just as we need oxygen, so we need servant. Servant keeps everything living, one of the most important jobs Abba gave.

Servant was created to clean up. Just as oxygen gets converted to carbon dioxide, and the carbon dioxide back to oxygen by trees, so does the rain clean the air.

Servant brings life and keeps life going, but likes to serve in the background. On the second day, movement came into being, waters started moving, and so emotion came in with movement. Servant brings in motion if they serve correct. YHVH loves to see servant dance in worship. They also bring in movement as they clean.

Of all 7 gifts, servant is the most constant emotionally if they take up their place. Their main aim is to share joy through emotion and movement.

Before the Lord could make anything else, there had to be movement and emotion.

Servant can clean the atmosphere in the spirit. *They have the highest authority in the spiritual realm over life and death.* Because Father can trust servant to do the work for His Kingdom and not for the kingdom of darkness. Servant is very responsibility and take their tasks very serious. The best worship music comes from servant. They were created to dance before the Lord.

### Day 3 of Creation

#### Teacher

On the third day, the oceans were separated and trees were planted. Twice on that day, the Lord said that “It is good”.

Plants have a wonderful way of taking a small cell and to let it grow so that we can get medicine from it. Plants can heal themselves.

Teacher takes seed and works with it and transforms it into something bigger. The “seed” is Truth.

Teacher looks for Truth in The Word and brings it to other people in order for new life to flow.

#### *2 Peter 1:1-9*

*1 [a]Simon Peter, a bond-servant and apostle (special messenger, personally chosen representative) of Jesus Christ, to those who have [b]received and possess [by God’s will] a precious faith of the [c]same kind as ours, by the righteousness of our God and Savior, Jesus Christ: 2 Grace and peace [that special sense of spiritual well-being] be multiplied to you in the [true, intimate] knowledge of God and of Jesus our Lord. 3 For His divine power has bestowed on us [absolutely] everything necessary for [a dynamic spiritual] life and godliness, through [d]true and personal knowledge of Him who called us by His own glory and excellence. 4 For by these He has bestowed on us His precious and magnificent promises [of inexpressible value], so that by them you may escape from the immoral freedom that is in the world because of disreputable desire, and become sharers of the divine nature. 5 For this very reason, applying your diligence [to the divine promises, make every effort] in [exercising] your faith to, [e]develop moral excellence, and in moral excellence, knowledge (insight, understanding), 6 and in your knowledge, self-control, and in your self-control, steadfastness, and in your steadfastness, godliness, 7 and in your godliness, brotherly affection, and in your brotherly affection, [develop Christian] love [that is, learn to unselfishly seek the best for others and to do things for their benefit]. 8 For as these qualities are yours and are increasing [in you as you grow toward spiritual maturity], they will keep you from being useless and unproductive in regard to the true knowledge and greater understanding of our Lord Jesus Christ. 9 For whoever lacks these qualities is blind—shortsighted [closing his spiritual eyes to the truth], having become oblivious to the fact that he was cleansed from his old sins.*

The worst thing for teacher to do is to get new wisdom, and to put it away without using it. Teacher was made to multiply things. From one seed to a thousand flowers. From one seed to a tree that brings forth plenty fruit. They are like farmers in the spirit that can bring in a harvest for the King.

Teacher carries the anointing **to multiply in Truth and Life.**

The Lord chose the teacher gift for the group of the Levites. The Levites were a place of safety for those who hurt. They had to recognize the persons value through all the sins they committed. Because teacher can look past everything, and know and believe in what is coming after repentance. They can see the harvest in a persons live before a seed is planted.

Teacher knows which plant will grow before the seed sprouts. Teacher can take the truth and gently look after the seed for a tree to grow and bring forth plenty fruit.

Teacher believes in the good people can achieve when truth hits them.

Teacher has the patience to look after a seed (person) till the end. They do not judge person for their actions, but trust in the good seed that they are sowing to produce a good harvest in the end.

## Day 4 of Creation

### Exhorter

On the fourth day the sun, moon and stars were created.

2 orders were given on that day. First to determine the seasons, and then to rule over them.

This was the first time the Lord put authority over something.

Exhorter was created to rule over time and seasons. Exhorter understands what the right time is, YHVH's time and how to bring it into reality in one's life. Exhorter is the time clock out of the Lord's thoughts to proclaim the times and seasons of the Lord. If the muter exhorter rules over time, they will be able to do more work in a day than anybody else. They will work in time that is multiplied for them. They will also know when new seasons in the spirit begins or ends, in people's lives, the community or even the season the Kingdom is in. They walk in the **authority of time, blessing and glorifying YHVH.**

*Psalms 19:1-4: 1 The heavens are telling of the glory of God; and the expanse [of heaven] is declaring the work of His hands. 2 Day after day pours forth speech, and night after night reveals knowledge. 3 There is no speech, nor are there [spoken] words [from the stars]; their voice is not heard. 4 Yet their voice [in quiet evidence] has gone out through all the earth, their words to the end of the world. In them and in the heavens He has made a tent for the sun,*

Exhorters are known for their words. The Lord created them to say what He wants them to say.

Of everything the Lord created, everything has a limit except the stars. Every star also has a name. *Psalms 147:4 He counts the number of the stars; He calls them all by their names.*

On the fourth day, the Lord decided that the stars will have an outpouring of praise for Him that will never end. The stars have a voice. Just as Exhorter has a voice. Exhorter has a responsibility to say things about YHVH, to teach people new things about the Lord and who He is. They have a beautiful way of blessing the Father and dose around them in the right season. When they are glorifying the Father, they are walking in their birthright. Exhorter was made to bring the Light of Yeshua to the world.

Exhorter was created to know the Lord and to introduce Him to other, just as the stars know and introduce His glory. To see the Lord clearly like others don't yet see Him, and to share that image and knowledge with others.

## Day 5 of Creation

### Giver

On the fifth day all the fish and birds were created. Abba created life paired with loving care.

Trees are there for generation. They create their own seed and brings forth new life.

But with Giver, the Lord put in His own Love and Care.

[www.yeshuafollowers.org](http://www.yeshuafollowers.org)

The Lord brought in self-sacrifice. The father and mother bird builds a nest and sacrifices own comfort to keep the eggs warm. Then they sacrifice time and effort to feed the baby's days on end, continuously.

Just as in *John 3:16* "For God so [greatly] loved and dearly prized the world, that He [even] gave His [One and] [a]only begotten Son, so that whoever believes and trusts in Him [as Savior] shall not perish, but have eternal life. Abba offered His only Son to the community, so does Giver offer out of the heart of Abba for the community. Giver is a big family person, just like Abba. Giver wants to keep family together.

Giver knows how to give a person the right gift as to produce joy for the other person, just like Abba. *James 1:17* Every good thing given and every perfect gift is from above; it comes down from the Father of lights [the Creator and Sustainer of the heavens], in whom there is no variation [no rising or setting] or shadow [a]cast by His turning [for He is perfect and never changes]. But not always does people accept the gifts of Giver.

Giver is created to create different things. To do different things and to be good in a variety of things. The negative being that Giver doesn't always finish what they start.

Giver has the **birthing anointing**. To bring new things to life. And only Giver can give it loving care until something new is born.

Giver sees opportunities where others don't. To do something in a different way than before.

Giver must work close with Prophet, because *Prophet conceives ideas and Giver gives birth to the idea. Prophet gives light, Giver gives life.*

Giver has a different time anointing. Giver know when the right time is to share something. Giver may sit with you and have a cup of coffee, and in givers spirit they will just know the time is right to get up and call a friend and share something from the Lord, or to plant a seed.

Giver always wants to know everything. Givers always picks up bargains.

Givers birthright is to carry over "**Generation anointing's**" and walk in "**Blessing anointing's**".

## Day 6 of Creation

### Ruler

On the sixth day, animal's insects and humans was created.

Adam and Eve gets dominion over animals and land, but not over each other.

Noah walked in the redemptive gift of Ruler when all the animals came to him in pairs. Although it was the animals that listened to the Voice of the Lord that led them.

Yeshua also used His ruler gift. In *Matthew 17:24-27*: *When they arrived in Capernaum, the collectors of the [a]half-shekel [temple tax] went up to Peter and said, "Does not your teacher pay the half-shekel?" 25 Peter answered, "Yes." And when he came home, Jesus spoke to him first, saying, "What do you think, Simon? From whom do earthly rulers collect duties or taxes, from their sons or from strangers?" 26 When Peter said, "From strangers," Jesus said to him, "Then the sons are exempt [from taxation]. 27 However, so that we do not offend them, go to the sea and throw in a hook, and take the first fish that comes up; and when you open its mouth, you will find a shekel. Take it and give it to them [to pay the temple tax] for you and Me."*

When He spoke to a fish to do what is not in the nature of a fish. The fish picked up the coin on the bottom of the lake and swam to the line to get caught. Yeshua exercised His birthright.

*In Isaiah 11:6-9: And the wolf will dwell with the lamb,  
And the leopard will lie down with the young goat,  
And the calf and the young lion and the fatted steer together;  
And a little child will lead them.*

*7 And the cow and the bear will graze [together],  
Their young will lie down together,  
And the lion shall eat straw like the ox.*

*8 And the nursing child will [safely] play over the hole of the cobra,  
And the weaned child will put his hand on the viper's den [and not be hurt].*

*9 They will not hurt or destroy in all My holy mountain,  
For the earth will be full of the knowledge of the Lord  
As the waters cover the sea.*

He saw that it would not just be a miracle that YHVH will do in the thousand years with Yeshua, but that it will also be us exercising our birthright.

It is in the DNA of Ruler to talk to animals like Yeshua did and then they obey. Ruler has the love of the Lord for animals, giving the authority over them. It is a command from YHVH. Let me explain it like this, if you say to your dog not to cross the line, if you walk in your authority of ruler, the dog will obey without training. People that has little authority in love for animals, will not like animals, their ruler portion of their spirit is not active and they will rule and dominate people. They will rule and rule from a soul dimension and not the redemptive gift of ruler. Rulers will also have a passion for animals and the lost souls of this world. They will seek those in need and help them.

Ruler is not just there to organize, but to rule over animals and insects to lead people.

Let me give you example of ruling over insects. If you walk into a room and there is mosquitos, and you walk in your birthright of ruler, you can demand the mosquitos to go to another room and not to bite you.

The first spirit was placed inside a man on day 6.  
Ruler's spirit will always search for the Lord's Spirit.

Ruler's birthright is to **Father**- it is where the Spirit comes before the soul. To father is to be a parent and to raise someone from a baby to maturity in the spirit.

Ruler can finish a project with little to no outside help, and Ruler can do it in the given time. Ruler can come up with a system or plan that suits everybody's needs.

Rulers are gatekeepers of the Kingdom. They will walk with you because they see the potential in you.

## **Day 7 of Creation**

### **Mercy**

Nothing new was created on this day, but the Lord celebrated what He had made.

[www.yeshuafollowers.org](http://www.yeshuafollowers.org)

On the seventh day, the Lord made time Holy and everything came into alignment.

Mercy has the ability to feel if something is out of place.

For Mercy to experience what Abba experienced on the 7th day, is for Mercy to “Rest” in Abba. Mercy wants to bring the other gifts into alignment with the “Rest” of Abba. Mercy wants to bring things into harmony, when the spirit rules over the soul in the “Rest” of Abba.

If your spirit is in line with your soul, then your spirit brings out the best of your soul, and your spirit rules the spiritual atmosphere around you.

Mercy is in control of the spiritual atmosphere. Mercy was created for YHVH, and to focus completely on Him. Mercy are either a people pleaser or a God pleaser. They do not like conflict.

If your soul rules over your spirit, then your soul does whatever it wants and nothing is in harmony.

When Mercy is in line, he will rule the atmosphere and we can experience Abba, Yeshua and Ruach, Spirit to spirit.

Mercy sets the standard for how much your spirit can grow.

Mercy is very slow, because they enjoy and savor what they see and experience. They don't want to miss something. They want to soak in the Presence of YHVH and what He created.

Prophet, Mercy and Ruler are good organizers. Prophet does something because it is the right thing to do. Ruler does something because it works. Mercy does something because they don't want to hurt anyone. All 3 will do the same thing but for different reasons.

Mercy is spiritually very sensitive, but lacks the language to verbalize what they feel or experience.

Mercy and Prophet don't like change very much. Prophet likes routine, where Mercy doesn't adjust well to change.

If Mercy sits in pain, they are selfish and only think of themselves. But if healing comes, they will put other people first.

Mercy only sees YHVH through spiritual experiences. But if Mercy can experience YHVH in the spirit, then they are usually the ones that is eager to go to places the other gifts don't want to e.g. war. Mercy will go to the battlefield and help people right now, the other gifts will wait until it is safe or the war is over. They sometimes don't think before they act and can easily get hurt. They must learn to trust YHVH in His timing and move only when He says it is time to do so. Then even if they are in the mist of the battle, they will not get hurt. Mercy will bring the aroma of the Lord to the people during the war, not like the other gifts after the war. Mercy birthright is to bring **YHVH into the room through bringing the spirit's atmosphere in alignment**. They will feel Abba more in worship songs than any other gift.
